3. Scroll down to English Writing
4. Use the “CTRL” and “F” keys to type in your professor’s last name: Corcoran
5. Hit “Return” twice and click on the link to: ENGWR 302 – Professor Corcoran (Spring 2019)

Generate Effective Keywords by Identifying Your Topic and 2 Questions You Have About Your Topic

a) Topic: ____________________________________________________________

b) Q1: ______________________________________________________________

c) Q2: ______________________________________________________________

d) Keywords: ________________________________________________________

General Search Tips
1. Quotation marks are used to find exact phrases.
   Example: “Edward Snowden”

2. Hold down the “CTRL” and “F” keys to find words or phrases on a page.

3. Add an “asterisk” to broaden your search.
   Example: wom*n = women AND woman
   Example: photo* = photos, photograph...
